sept24 '63-dlv

A Court of the State of Indiana, comprising the cases orted in the eight volumes of blackford and the first sixteen volumes of Indiana Reports; together with the Revised Statutes of the State, as embodied in the edition of Gavin & Hord. By Edwin A. Davis, L. L. B. 1 vol. The first edition of this valuable work was completely exhausted in less than three months from the time of publication. A new edition, printed on fine white paper, is now ready. This is one of the most complete and best arranged digests ever published, and has received the ighest commendations of the legal profession The Hon. M. M. KAY says:

"The Digest is as rare in its plan and execution as it is useful to the profession. This is no abridgement the Reports but a genuine digest of them." The Hon. DAVID McDonald says: "It is no small commendation of the work that it is a Digest not only of all our Supreme Court decisions which have been published, but also of all the modern statutes
